Together, our Future Starts Here

We will further develop our oracy and STEAM curriculum in our ambition to offer a horizon broadening, inclusive and creative curriculum.

We are going to continue with our whole school theme 'Together, Our Future Starts Here' which highlights how we will be working collaboratively across the Brecknock and Torriano partnership.

Our ambition is to increase our capacity to achieve SDG 17, Partnership for the Goals.

Attendance

8:50am: School gates open

8:55am: School bell and school starts

9am: Lessons start in class

Ted and Earl will be on the lookout for excellent attendance and prompt school arrival this term. Look out golden attendance tokens on the gate!

All children are expected to attend school every day unless they are unwell. Please notify school if your child is absent for any reason. Last year, our attendance was significantly below our 95% attendance target. We encourage you to monitor your child's attendance using Arbor to ensure their attendance remains excellent. Please ensure you download the Arbor App to access your child's profile and complete payments.

Whenever possible, medical appointments should be made outside of the school day.

If children are reluctant to read or complete reading records at home, making a game out of it or switching up the routine can be an effective strategy.

Try these activities at home!

Maths

- Mastery-style teaching with a continued focus on fluency and reasoning.
- Use of oracy and sentence stems to aid children in framing their reasoning responses.
- Daily opportunities for arithmetic practice.
- Either Doodle Maths or Times Table rockstars available to all children for at home fluency practice.
- MOTs (Master of Times Tables) awarded in assemblies to children who have shown dedication to meeting year group x table expectations.

HISTORY KNOWLEDGE

PREHISTORIC BRITAIN

Prehistory is any time that happened before humans had writing.

The first people in Britain lived about 15,000 years ago and historians split into 'ages' to find out what was different about them.

Stone Age	Bronze Age	Iron Age
		
When the first humans began to live in Europe. They used stones as tools.	In this era, metals were used to make hunting tools. Humans also began to farm land.	Humans used to iron to make tools and farmed land instead of hunting. They lived in communities.

Cheddar Man

STONEHENGE

Stonehenge is a prehistoric monument in England. It is made up of a ring of standing stones. It might have been used as a meeting place or for religious ceremonies.

SKARA BRAE

Skara Brae is a Neolithic settlement built out of stone in Scotland. It has helped historians find out more about how Stone Age people lived.

KEY LEARNING

Stone Age:

- Early Stone Age Man was a hunter-gatherer, travelling around following food sources, using flint tools to hunt animals.
- Cheddar Man was a Mesolithic skeleton discovered in 1903 and is the oldest complete skeleton found in Britain.

Bronze Age:

- The Bronze Age started when the Beaker People arrived from Europe with new ways of making metal. Tools were made from bronze - copper and tin were poured into casts.
- Bronze Age people lived in settlement of round houses. Houses were made of mud or dry stone.
- Making tools from bronze meant people more effectively.
- Settlements traded resources like copper and tin.
- Burials were important to Bronze Age people. They were buried in stone circles where burials took place.

Iron Age:

- Tools were made from iron. Iron was harder than bronze and iron was hammered into shape.
- Settlements became larger because people needed to farm and defend themselves. People used iron as a symbol of power and a way of defending themselves. This collection of tribes was called the Iron Age.
- There were lots of battles between tribes for more land and power and between kingdoms.
- At the end of the Iron Age, coins were used as currency.
- The Iron Age ended when the Romans arrived.

Palaeolithic	Old or 'ancient' Stone Age.
Mesolithic	Middle Stone Age
Neolithic	New Stone Age
ancient	—belonging to the distant past
Archaeologist	- someone who studies the past by exploring old remains
Artefact	- an object from the past that shows evidence of what life was like
Era	- a period of time in history. An era often begins or ends with an important event.
Extinct	—no longer has any living members, either in the world or in a particular place
Flint	- a piece of stone used in fire-starting and as a tool
Foundry	—A place of work where metal castings are made.
Forage	To look around for things to eat.
Handaxe	A sharp tool that you can hold in your hand. It was used for hunting and building

Home Learning

Home Learning Year 3

We are scheduling a new homework format.
This about online the home learning to be completed for this half term. We have incorporated a hybrid of online and paper activities wherever possible, we will be adding copies of paper based activities into their home learning books. If you are happy to just access these online then let a member of the team know.

The home learning book can be used in conjunction to help with the learning you should share at home - phonics practice, drawing, research, handwriting practice or anything they want to share!

Weekly recap
Each week, children will be assigned a recap sheet from a book that we have completed in class. These will be added into the home learning book and shared on the google classroom.

Maths Planning questions
Use the maths activities in your book to practice your fluency of addition and subtraction within 100.
Use your child's USO login to access many games and activities on Google.

Phonics
Use the table provided on a separate sheet to follow what sounds have been taught or reviewed this half term. You are free to practice, write or play games with these sounds.

Monkey book
Follow the QR code for this half term's connection sheet. Children can use this to track their learning throughout the unit.
<https://forms.gle/rstLxer147dRupY8>
Have a go at the migration quiz from last half term too!
<https://forms.gle/fk-w3pCgshKwGus>

Weekly Quiz
Each week, children will be assigned new questions on work covered in class. Take the quiz as many times as you like, we will share efforts in class.

Daily reading
Your child should read with you every night, recording the reading session into their 'monkey book' also reading record, when possible.
We also have access to the 'Collins e-books' online platform, which means the books your child reads in week in class. Your child has their login for this inside their
